

# **ANNOUNCEMENT TO BE READ AT MAYOR AND COUNCIL MEETING**

**May 4, 2009**

Gaithersburg's Miniature Golf Course at Bohrer Park is now open for the season. Spring is the perfect time to bring the whole family out for a day of good old fashioned mini golf fun on our 18 beautifully landscaped, challenging holes.

The miniature golf park is open weekends until June 19, and then it will be open daily through Labor Day. In the fall it will be open weekends only through mid-October.

We've got a special treat for moms this Mother's Day. Moms can play for free with a paying guest on Sunday, May 10. Games for residents are just \$4 per person.

For more information call 301-258-6420, or visit the golf park online at
