Officer Dan Lane  
Gaithersburg Police Department  
14 Fulks Corner Ave  
Gaithersburg, MD 20877

Dear Officer Lane,

I am writing to express my interest in serving as a member of the Police Chief's Citizen Committee for the City of Gaithersburg, MD. My wife and I have been a member of the Gaithersburg community for five years and live in the Washingtonian Towns community. I have been involved with the Washingtonian Towns Homeowners Association since 2004 and currently serve as the Vice-President of the Board of Directors and professionally, I work for Deloitte and Touche as a security consultant/program manager with Federal government clients. In April of this year, we welcomed an addition to our family – our little daughter Nellie – and we thoroughly enjoy being residents of Gaithersburg and look forward to raising our daughter in this community.

Prior to going to work in the private sector, I worked for five years as an employee with the Federal Government and got involved with Law Enforcement and Security Management after the tragic events of 9/11. I have continued to work in this field since that time and have found that the most effective security and law enforcement work is collaborative and inclusive of individuals from all levels of organizations and communities. I am interested in being a part of the Police Chief's Citizen Committee because I want to be an active participant in my local community and assist with the efforts of local law enforcement in any way that I can. I hope that I can bring some of the skills from my professional background to the table and be a valuable contributor to the committee.

Thank you for your time and consideration.

Kind regards,

/s/
