GAITHERSBURG GREENING

GAITHERSBURG GREENING

The gift of a tree planted today can be the gift of a lifetime, providing environmental benefits, a habitat for wildlife and natural beauty for generations to come.

Honor someone you love or commemorate a special occasion such as the birth of child, a graduation, wedding, anniversary, or special achievement by planting a tree in Gaithersburg.

For each tax-deductible donation, Gaithersburg Greening will plant a young, native tree in a City park or public area (see reverse for listing) in honor of an individual, family or special occasion. A certificate commemorating the planting and identifying its location will be given to the appropriate individual(s), and a bronze plaque can be placed near the tree.

Gaithersburg is proud to be a Tree City USA, designated by the National Arbor Day Foundation. This designation recognizes Gaithersburg's on-going commitment to the environment and to reforestation efforts in our community. The City has received this designation annually since 1988.

Gaithersburg Greening is sponsored by the City of Gaithersburg in coordination with the Gaithersburg Arts and Monuments Funding Corporation (GAMFC), a 501 (c)(3), tax exempt, charitable organization whose mission is to heighten the awareness of revitalization and arts initiatives within the City of Gaithersburg and to raise funds and use those funds to support those programs and initiatives.
