

HEALTH BENEFITS

Medical (CIGNA HealthCare)

Employees may choose medical coverage with CIGNA HealthCare under the Open Access Plan (OAP) Plan. The City of Gaithersburg pays 85 percent of the premium and the employee pays the remainder in each tier offered: single, employee + spouse/domestic partner, employee + child, employee + children, or family. Open enrollment is held each May.

Dental (Assurant Employee Benefits)

Assurant Employee Benefits is an indemnity plan with a dental maintenance organization (DMO) option. Employees may select a dentist of their choice or may receive increased savings for services provided if they select a participating dentist using the DMO option. The City of Gaithersburg pays 85 percent of the premium and the employee pays the remainder in each tier offered: single, employee + spouse/domestic partner, employee + child, employee + children, or family. Open enrollment is held each May.

All medical and dental insurance premiums are pre-taxed. Employees who waive medical and/or dental coverage offered by the City may request that the City contribute a portion of its share of the cost of individual coverage to a Retirement Health Savings (RHS) Plan, a non-taxable savings plan. Employees may use monies contributed to the Plan for eligible health care expenses not reimbursed through medical or dental programs.

Long-Term Care Insurance (Unum)

The City of Gaithersburg pays 100 percent of the base plan cost of long-term care insurance. Long-term care insurance will assist in paying the costs associated with home care, assisted living, or nursing home care. Participants also have the option of purchasing additional long-term care insurance coverage for themselves or coverage for eligible family members at group rates through payroll deduction. Open enrollment is held each May.

Flexible Spending Accounts (HFS Benefits)

Flexible Spending Accounts allow employees to pay for certain medical, dental, and dependent care expenses with pre-taxed dollars, which means that taxable earnings are reduced so the employee pays less taxes on earnings thereby increasing take home pay. The maximum amount that can be set aside for health care expenses per calendar year is \$3,000; and the maximum that can be set aside per calendar year for dependent care is \$5,000. Employees wishing to participate in either of these plans must enroll/reenroll each January 1. The City of Gaithersburg pays all administrative costs.
