

Support Homeless Veterans in Montgomery County

Our Veterans served us selflessly, let's honor their sacrifices by ending homelessness for a local Veteran today. Gaithersburg's VFW has partnered with Montgomery County's Coalition for the Homeless (MCCH). MCCH offers emergency shelter to an average of 75 veterans annually. MCCH's Operation Homecoming program provides homeless Veterans with a safe, stable and affordable place to call home. They need our support to move into their homes with dignity.
