5.2. ACCEPTANCE AND REJECTION OF BID PROPOSALS

The City reserves the right: (i) to accept or reject any or all Bid Proposals in whole or in part; (ii) to waive any technicalities or informalities in Bid Proposals; and (iii) to cancel or postpone this Solicitation at any time if determined to serve the best interests of the City. The City may reject the Bid Proposal of any Bidder in arrears or in default to the City on any contract, debt, or other obligation.

5.3. ACCURATE INFORMATION

The Bidder certifies that all information provided or to be provided to the City is true and correct and may be relied upon by the City in awarding the Contract. Any false and/or misleading information is cause for the City to reject the Bidder's Bid Proposal or to terminate the Contract if awarded to the Bidder. Such rejection or termination shall relieve the City of any direct or consequential damages or costs incurred by the Bidder.

5.4. ADDENDA AND AMENDMENTS

In the event any addenda or amendments are issued to this Solicitation, all the terms and conditions of this Solicitation shall govern and apply unless specifically stated or modified in any such addenda or amendments. Verbal or written statements and/or answers to questions not posted on the City's Procurement Webpage relative to this Solicitation shall not be considered valid or enforceable. It is the responsibility of the Bidder to inquire about and obtain any and all addenda and/or amendments issued, all of which shall be published on the City's Procurement Webpage.

5.5. ALTERNATE BID PROPOSALS

The Bidder is expected to clearly respond to the requirements set forth in this Solicitation. Any and all alternate Bid Proposals for the Services shall be rejected as non-responsive and be removed from consideration.

5.6. BINDING BID PROPOSAL

All Bid Proposals shall remain binding for 180 calendar days following the Acceptance Deadline; Bid Proposals may not be withdrawn at any time within this period. In the event an award is not made during such period, all Bid Proposals shall be automatically extended and remain binding for an additional 180 calendar day period. Bid Proposals shall automatically be renewed until such time as either an award is made or proper notice is given to the City by a Bidder of its intent to withdraw its Bid Proposal. Bid Proposals may only be withdrawn by written notice to the City at least fifteen (15) calendar days prior to the expiration of the then current 180 calendar day period.

5.7. CONFIDENTIALITY

- A. The City agrees, to the extent permitted by law and in accordance with the terms set forth in this Solicitation, to hold all confidential information and material belonging to the Bidder in strictest confidence. The Bidder shall specify in writing to the City the information and/or material the Bidder deems to be a trade secret or other confidential information and/or material. Written notification shall also contain the reason such information and/or material is considered to be a trade secret and/or confidential.
- B. The Bidder agrees that all knowledge and information it may receive from the City or from its officials, employees or other sources, or by virtue of the performance of Services under and pursuant to the Contract, if awarded the Contract, which are included or referenced in Title 4 of the General Provisions Article of the Annotated Code of Maryland, shall not be directly or indirectly disclosed to any person whatsoever unless authorized to do so by the City Manager. This confidentiality provision shall also apply to any information, activity, or record designated by the City as being “confidential” or “privileged”.

5.8. CONTRACT AWARD

- A. It is the intent of the City to award the Contract to one (1) Bidder; however, the City reserves the right to award the Contract to multiple Bidders in whole or in part. Award shall be to the Responsible Bidder that submits the Lowest Responsive Bid Proposal. If for any reason, through no fault of the City, the Contract is not executed within thirty (30) days’ of formal award, the City may withdraw the award and award to the next Lowest Responsive and Responsible Bidder, or solicit new Bid Proposals.
- B. In the event the City receives only one (1) Bid Proposal in response to this Solicitation, the City reserves the right, in its sole discretion, to proceed as a negotiated procurement with the Bidder that submitted the Bid Proposal.

5.9. ERRORS IN BID PROPOSALS

Obvious error(s) in calculations in any Bid Proposal may not be corrected without the prior written consent of the City and may be cause for the Bid Proposal to be deemed non-responsive. If an error is made in an extended price, the unit price will govern.

5.10. INTEREST IN MORE THAN ONE BID PROPOSAL AND COLLUSION

Multiple Bid Proposals submitted in response to this Solicitation by any Bidder under the same or different names shall be rejected as non-responsive. Reasonable grounds for believing that any Bidder has interest in more than one (1) Bid Proposal for this Solicitation, both as the Bidder and as a subcontractor for another Bidder, shall result in the rejection of all Bid Proposals in which the Bidder has interest and disqualify the Bidder from responding to any reissuance of this Solicitation. However, a Person acting only as a subcontractor may be included as a subcontractor for multiple Bidders. The City may reject all Bid Proposals if reasonable cause exists for believing that collusion exists among Bidders.

5.11. LATE BID PROPOSALS

It is the responsibility of the Bidder to ensure the delivery of its Bid Proposal by the Acceptance Deadline and to the location specified in Section 3.1 (Event E) of this Solicitation. Any and all Bid Proposals delivered or submitted late or to any location other than the designated location shall be rejected as non-responsive. The submission of any Bid Proposal by way of facsimile or e-mail is strictly prohibited; any and all Bid Proposals submitted as such shall be rejected as non-responsive. The City assumes no responsibility for any delays and/or errors in the delivery of a Bid Proposal; postmarking by the Acceptance Deadline shall not substitute for actual receipt. Any and all Bid Proposals submitted not in compliance with any of the provisions of this paragraph shall be rejected as non-responsive.

5.12. MODIFICATIONS TO BID PROPOSALS

The Bidder may only modify its Bid Proposal in accordance with and subject to the following:

- A. The City shall consider a modified Bid Proposal as an entirely new Bid Proposal and shall replace the original Bid Proposal, which shall be deemed to be withdrawn and null and void.
- B. The modified Bid Proposal shall be subject to all the requirements, specifications and terms and conditions set forth herein.
- C. Notwithstanding the provisions with respect to the submission of a Bid Proposal herein, the modified Bid Proposal shall clearly be labeled "Modified Bid Proposal".

5.13. OPTIONAL GOODS AND/OR SERVICES

The City reserves the right to request and evaluate optional goods and/or services which may be in the best interests of the City, and to negotiate the price of such goods and/or services with the successful Bidder or with another Bidder, whichever is determined to be the most advantageous to the City. While pricing for optional goods and/or services may be requested in this Solicitation, the City is under no obligation to consider such optional goods and/or services when selecting the successful Bidder unless otherwise stated.

5.14. SOLICITATION DOCUMENTS

The Bidder is expected to carefully and thoroughly examine all of the Solicitation Documents for accuracy and completeness, and to become familiar with the same. If doubt exists as to the meaning and/or intent in or of any of the Solicitation Documents, the Bidder shall make an inquiry as to such meaning and/or intent. The failure of the Bidder to examine and become familiar with any and all of the Solicitation Documents shall in no way relieve the Bidder of its obligations under the Contract, if awarded to the Bidder. The submission of a Bid Proposal shall be taken as prima facie evidence of compliance with this provision and that the Bidder fully understands everything in the Solicitation Documents.

5.15. SOLICITATION PROTEST

- A. Any protest of this Solicitation shall be in writing to the City Attorney. The provisions of COMAR Title 21.01.03.01A(7), State Procurement Regulations, do not apply to municipalities and are not applicable to this Solicitation. Protests of alleged improprieties in this Solicitation shall be filed prior to the Acceptance Deadline.

- B. Any written protest shall, at a minimum, include: (i) the name, address, telephone number, and if available, email address of the Person making the protest; (ii) the Solicitation number and a detailed statement of the legal and factual grounds for the protest, including a description of resulting harm to the Person making the protest; and (iii) any and all copies of supporting exhibits, evidence and/or documents to substantiate the claim.

5.16. USE OF BROKER

The Bidder warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees, or bona fide established commercial or selling agencies maintained by the Bidder for the purpose of securing business. For violation of this provision, the City shall have the right, in its sole discretion: (i) to terminate or suspend the Contract without liability to the City, its officials or employees; or (ii) to deduct from the Contract price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

5.17. ACCOUNTING SYSTEM AND AUDIT

- A. The Contractor certifies its accounting system conforms to Generally Accepted Accounting Principles (GAAP) and is sufficient to comply with its budgetary and financial obligations under the Contract. In addition, the Contractor acknowledges and agrees to the following:

- I. - II. The Contractor: (i) shall allow the City to examine and/or obtain copies of the Contractor's records to determine and verify compliance with the terms and conditions of the Contract; (ii) shall grant the City access to such records at all reasonable times during the Contract term and for a period of five (5) years thereafter; and (iii) shall make such records available for examination and/or to obtain copies by any and all Federal, State and/or County authorities if the Contract is supported to any extent with any funds of the same.

- B. The Contractor shall include a similar provision in any and all subcontracts.

5.18. ASSIGNMENT OF THE CONTRACT

The City's rights under the Contract are personal to the Contractor. It is mutually understood and agreed that the Contractor shall not assign, convey, sublet, transfer or otherwise dispose of its Contract or its right, title or interest therein, or its power to execute the Contract, to any other person without the express written consent of the City; however, in no case shall such consent relieve the Contractor from its obligations under the Contract, or change the terms and conditions of the Contract.

5.19. CHANGES IN GOODS AND/OR SERVICES

The City, without invalidating the Contract, may order changes in the goods and/or Services within the general scope of the Contract, consisting of additions, deletions and/or other revisions, and the Contract sum and term shall be adjusted accordingly. Any cost or credit to the City from a change in Services shall be determined by mutual written agreement between the City and the Contractor. The Contractor shall provide all of the goods and services that may be required to complete the Contract at the price agreed upon. Any alterations of variables to the terms of the Contract shall not be valid or binding upon the City unless made in writing and signed by the City and the Contractor.

5.20. CONTRACT DISPUTES

Any and all disputes arising under the Contract, except under the provisions for termination, which are not disposed of by agreement between the City and the Contractor, shall be decided under procedures A-D listed below. Pending final resolution of a dispute, the Contractor shall proceed diligently with Contract performance. A claim must be in writing for a sum certain and any money requested must be fully supported by all cost and pricing information.

- A. All disputes, claims, questions of fact or interpretations of the documents of the Contract not disposed of by agreement or express provision of the Contract arising between the City and the Contractor after performance of the Contract has commenced but before final payment and termination of the Contract, are decided by the City Manager or designee ("City Manager").
- B. The City Manager must give the Contractor not less than three (3) working days to submit documentation and written reasons supporting the Contractor's position in the dispute. The City Manager may consider any other information or written submissions from City employees or agents and may conduct an informal, non-record hearing for receipt of testimony, evidence and/or argument. The City Attorney may participate in the hearings to protect the City's interest.
- C. The City Manager must render a decision, in writing, stating reasons for such decision and provide copies to the Contractor and the City Attorney. If the decision is mailed to the Contractor, it must be mailed "certified" and dated the date of mailing; otherwise, it must be dated the date of delivery to the Contractor.
- D. The City Manager's decision may be submitted to Binding Arbitration by either Party under the auspices of an arbitrator appointed by the American Arbitration Association.

5.21. DISSEMINATION OF DATA

The Contractor shall not release any information related to the Services under the Contract or publish any reports or documents related to the same without the prior written approval of the City. The Contractor shall include a similar provision in all subcontracts.

5.22. EMPLOYMENT AS INDEPENDENT CONTRACTOR

The City and the Contractor recognize and agree: (i) that the Contractor shall act as an independent Contractor to the City; (ii) that the Contract does not create any actual or apparent agency, partnership, franchise, or relationship of employer and employee between the parties; (iii) that neither party shall be entitled to participate in any of the other party's benefits, including without limitation, any health or retirement plans; (iv) that the

Contractor shall not be entitled to any remuneration, benefits, or expenses other than as specifically provided for in the Contract; and (v) that the City shall not be liable for any insurance, taxes, or withholding for or on behalf of the Contractor; all such insurance, taxes or withholding, and costs for same, shall be the sole responsibility of the Contractor.

Failure to receive necessary materials and supplies will not excuse performance hereunder unless such failure is itself due to an event of Force Majeure. A party obtaining relief under this provision shall make every reasonable effort to minimize the effects thereof and will promptly resume performance as soon as possible.

5.25. GOVERNING LAW

The Contract shall be construed in accordance with the laws and regulations of the Federal Government, State of Maryland, and the City. The Contractor shall further assure the City that, in accordance with the Act, it does not and will not discriminate against an individual with respect to hiring, or recruitment or referral for a fee, of the individual for employment or the discharging of the individual from employment because of such individual's national origin or in the case of a citizen or intending citizen, because of such individual's citizenship status.

5.27. INCONSISTENT PROVISIONS

- A. Notwithstanding any provisions to the contrary in the terms and conditions of any contract supplied by the Contractor, the conditions of this Solicitation and the Contract supersede those terms and conditions in the event of inconsistency.
- B. In the event of any inconsistency between any of the provisions of this Solicitation and any of the provisions of the Contract, the provisions of the Contract shall take precedence over and supersede those provisions in the event of any inconsistency.

Except as otherwise specifically provided in the Contract, a waiver by either party to the Contract of any breach of any provision of the Contract, or either party's decision not to invoke or enforce any right under the Contract, shall not be deemed a waiver of any right or subsequent breach, and all provisions of the Contract shall remain in force.

5.32. NON-DISCRIMINATION REQUIREMENTS

- A. The Contractor acknowledges and agrees that during the term of the Contract it shall:
 - I. Not discriminate against any employee or applicant for employment because of gender preference, race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era.
 - II. Take affirmative action to ensure that applicants and employees are treated without regard to their race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, gender preference, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era. Such action shall include but not be limited to the following: employment, upgrade, demotion or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

III. In all solicitations for employees, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, gender preference, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era. The Contractor agrees to use clauses similar to those above in all contracts and subcontracts. In the event the Contractor fails to comply with the nondiscrimination clauses of the Contract, or fails to include such provisions in all contracts and subcontracts, as hereinabove provided, the Contract may at the sole discretion of the City be declared void AB INITIO, canceled, terminated or suspended in whole or in part with waiver of any recourse by the Contractor against the City or its officials or employees, and the Contractor may be declared ineligible for further contracts with the City.

B. Any employee, applicant for employment, or prospective employee with information concerning any breach of these requirements may communicate such information to City Manager who shall commence a prompt investigation of the alleged violation. Pursuant to such investigation, the Contractor shall permit access to their books, records and accounts. In the event the City Manager concludes, on the basis of such investigation, that the Contractor has failed to comply with these nondiscrimination clauses, the City Manager may invoke the remedies hereinabove set out.

5.33. NONEXCLUSIVE

Nothing in the Contract shall be deemed to act as a bar to the City's solicitation or purchasing of equipment, goods or services from any other company.

5.34. OWNERSHIP OF MATERIALS

Unless otherwise agreed in writing by the City and the Contractor, any work, specifications, information, data, drawings, software and other items produced under the Contract, other than any Contractor Tool, is to be deemed a work-for-hire to the extent permitted by law, and, to the extent not so permitted, shall be assigned to, and shall become, the exclusive property of the City.

5.35. PATENTS

A. Whenever any article, material, appliance, process composition, means or things called for by the specifications ("Materials") under this Solicitation is covered by Letters of Patent, the Contractor shall secure, prior to using or employing such Materials, the assent in writing of the owner or licensee of such Letters of Patent and file the same with the City.

B. The Contractor shall defend, at its own expense, and pay the cost and damages awarded in any action brought against the City based on an allegation that the Materials provided by the Contractor infringe on any patent, copyright, license or trade secret. In the event that an injunction shall be obtained against the City's use of the Materials by reason of infringement of any patent, copyright, license or trade secret, the Contractor shall, at its own expense, procure for the City the right to continue using the Materials or replace or modify the same so that it becomes non-infringing.

5.36. PAYMENT TERMS, TAXES AND INVOICES

The City shall only pay original proper invoices issued in accordance with the following:

A. Payment Terms

The City's standard terms of payment are net thirty (30) days; however, this does not preclude the Contractor from providing a prompt payment discount for the payment of invoices in less than thirty (30) days. Payments considered past-due may be subject to incurred interest not to exceed one percent (1%) per month.

B. Taxes

The City is exempt from sales and use taxes. The Contractor shall exclude such taxes from all forms of requests for payments issued to the City; the City shall not be liable for or pay or reimburse the Contractor for any such taxes. A copy of the City's Sales and Use Tax Exemption Certificate is provided below.

C. Invoices

Original invoices shall include at a minimum, the Contractor's name, address, telephone and fax numbers, and if applicable, email address and corresponding purchase order number. Invoices shall be submitted to: City of Gaithersburg, Accounts Payable Division, 31 South Summit Avenue, Gaithersburg, Maryland 20877.

5.37. RECORDS

- A. The Contractor shall retain any and all records and documents relating to the Services under the Contract for a minimum of five (5) years following payment of the Contractor's final undisputed proper invoice for the complete rendered Services. The Contractor shall make available to the City, State of Maryland and any and all appropriate Federal agencies, all records and documents with respect to any and all matters under the Contract at any time during normal business hours, as often as the City deems necessary, to audit, examine, and make copies, excerpts and/or transcripts of any and all relevant data.
- B. The Contractor shall include similar provisions in all subcontracts.

5.38. SUBCONTRACTORS

The Contractor acknowledges and agrees: that if it shall be necessary to hire or subcontract with competent personnel to fulfill its obligations under the Contract, it shall do so at its own expense; and to ensure that any and all work assigned to any subcontractor shall be performed in compliance with all of the terms and conditions of the Contract. Nothing contained in the Contract shall create any contractual relation between any subcontractor and the City.

5.39. SURVIVAL

The representations, warranties and indemnities contained herein shall survive the termination of the Contract.

5.40. TERMINATION

A. Termination for Cause

- I. If through any cause, the Contractor fails to fulfill in a timely and proper manner its obligations under the Contract, or if the Contractor violates any of the provisions of the Contract, the City may upon written notice to the Contractor, terminate the right of the Contractor to proceed under the Contract or with such part or parts of the Contract to which there has been default, and may hold the Contractor liable for any damages caused the City by reason of such default and termination, if the default is not corrected within 15 days' notice to cure. In addition, the Contract may be terminated for the bankruptcy, dissolution, assignment for the benefit of creditors, or other similar action of the Contractor.
- II. In the event of termination, any completed Services performed by the Contractor under the Contract shall, at the option of the City, become its property and the Contractor shall be entitled to receive equitable compensation for any work completed to the satisfaction of the City. The Contractor, however, shall not thereby be relieved of liability to the City for damages sustained by the City by reason of any breach of the Contract by the Contractor, and the City may withhold any payments to the Contractor for the purpose of setoff until such time as the amount of damages due the City from the Contractor is determined. The Contractor shall not be responsible for damages under this article solely for reasons of delay if the delay is due to causes beyond its control and without its fault or negligence, but this shall not prevent the City from terminating the Contract for such delay.

B. Termination for Convenience

The City may, upon written notice and without cause, terminate the Contract in whole or in part at any time for its convenience. In such instance, payment shall be made to the Contractor for the reasonable costs of the work performed through the date of termination. Termination costs do not include lost profits, consequential damages, delay damages, unabsorbed or under-absorbed overhead of the Contractor or its subcontractors or suppliers. Failure of the Contractor to include a termination for convenience clause into its subcontracts and material purchase orders shall not result in any liability to the City for lost profits in conjunction with a termination for convenience.

The Contractor expressly waives any damages, delay damages, or indirect costs which may arise from the City's election to terminate the Contract in whole or in part for its convenience.

C. Termination for Non-Appropriation of Funds

The City shall not be obligated to the Contract for any future fiscal year until funds are appropriated for each such future fiscal year. In the event funding appropriation is not approved, the City may, upon written notice, terminate the Contract in whole or in part and without penalty or expense to the City. The effect of such action shall terminate the Contract on the last day of the fiscal year for which appropriations were made.
