If doubt exists as to the meaning and/or intent in or of any of the Solicitation Documents, the Offeror shall make an inquiry as to such meaning and/or intent. The failure of the Offeror to examine and become familiar with any and all of the Solicitation Documents shall in no way relieve the Offeror of its obligations under the Contract, if awarded to the Offeror. The submission of a Proposal shall be taken as prima facie evidence of compliance with this provision and that the Offeror fully understands everything in the Solicitation Documents.

6.22. EMPLOYMENT AS INDEPENDENT CONTRACTOR

Failure to receive necessary materials and supplies will not excuse performance hereunder unless such failure is itself due to an event of Force Majeure. A party obtaining relief under this provision shall make every reasonable effort to minimize the effects thereof and will promptly resume performance as soon as possible.

6.25. GOVERNING LAW

The Contract shall be construed in accordance with the laws and regulations of the Federal Government, State of Maryland, and the City. For purposes of litigation involving the Contract, exclusive venue and jurisdiction shall be in the Circuit Court of Maryland for Montgomery County, District Court of Maryland for Montgomery County or the United States District Court of Maryland.

6.26. IMMIGRATION REFORM AND CONTROL ACT

The Contractor shall warrant that it does not and shall not hire, recruit or refer for a fee for employment under the Contract, an alien, knowing the alien is an unauthorized alien, and hire any individual without complying with the requirements of the Immigration Reform and Control Act of 1986 ("Act"), including but not limited to any verification and record keeping requirements. The Contractor shall further assure the City that, in accordance with the Act, it does not and will not discriminate against an individual with respect to hiring, or recruitment or referral for a fee, of the individual for employment or the discharging of the individual from employment because of such individual's national origin or in the case of a citizen or intending citizen, because of such individual's citizenship status.

6.27. INCONSISTENT PROVISIONS

- A. Notwithstanding any provisions to the contrary in the terms and conditions of any contract supplied by the Contractor, the conditions of this Solicitation and the Contract supersede those terms and conditions in the event of inconsistency.
- B. In the event of any inconsistency between any of the provisions of this Solicitation and any of the provisions of the Contract, the provisions of the Contract shall take precedence over and supersede those provisions in the event of any inconsistency.

6.28. INDEMNIFICATION

The Contractor shall indemnify and hold harmless the City, its officials, employees and agents from the following:

- A. Any and all direct or indirect damages, costs, claims, actions, suits, judgments or liens resulting from the negligent act or commission or omission of the Contractor, its employees, agents or subcontractors; and
- B. Any and all direct or indirect costs, claims, actions, suits, judgments or liens for damages resulting from the Contract arising from the negligence or omission of the Contractor, its employees, agents or subcontractors. The Contractor shall, upon completion of the Services, provide the City with a Release of Liens from any subcontractor, supplier, material, or other supplier of goods and services to the project.

6.29. LAWS AND REGULATIONS

The Contractor shall comply with any and all applicable federal, state and local laws, codes and regulations with respect to the Services under the Contract.

6.30. NO LIENS

The Contractor shall have no title or interest in any of the goods delivered to the City under the Contract. In no event shall the Contractor encumber any such goods delivered to the City with any lien of any kind or offer such goods as collateral in any transaction whatsoever.

6.31. NO WAIVER

Except as otherwise specifically provided in the Contract, a waiver by either party to the Contract of any breach of any provision of the Contract, or either party's decision not to invoke or enforce any right under the Contract, shall not be deemed a waiver of any right or subsequent breach, and all provisions of the Contract shall remain in force.

6.32. NON-DISCRIMINATION REQUIREMENTS

- A. The Contractor acknowledges and agrees that during the term of the Contract it shall:
 - I. Not discriminate against any employee or applicant for employment because of gender preference, race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era.
 - II. Take affirmative action to ensure that applicants and employees are treated without regard to their race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, gender preference, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era. Such action shall include but not be limited to the following: employment, upgrade, demotion or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
 - III. In all solicitations for employees, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, gender preference, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era. The Contractor agrees to use clauses similar to those above in all contracts and subcontracts. In the event the Contractor fails to comply with the nondiscrimination clauses of the Contract, or fails to include such provisions in all contracts and subcontracts, as hereinabove provided, the Contract may at the sole discretion of the City be declared void AB INITIO, canceled, terminated or suspended in whole or in part with waiver of any recourse by the Contractor against the City or its officials or employees, and the Contractor may be declared ineligible for further contracts with the City.
- B. Any employee, applicant for employment, or prospective employee with information concerning any breach of these requirements may communicate such information to City Manager who shall commence a prompt investigation of the alleged violation. Pursuant to such investigation, the Contractor shall permit access to their books, records and accounts. In the event the City Manager concludes, on the basis of such investigation, that the Contractor has failed to comply with these nondiscrimination clauses, the City Manager may invoke the remedies hereinabove set out.

6.33. NONEXCLUSIVE

Nothing in the Contract shall be deemed to act as a bar to the City's solicitation or purchasing of equipment, goods or services from any other company or entity.

6.34. PATENTS

- A. Whenever any article, material, appliance, process composition, means or things called for by the specifications ("Materials") under this Solicitation is covered by Letters of Patent, the Contractor shall secure, prior to using or employing such Materials, the assent in writing of the owner or licensee of such Letters of Patent and file the same with the City.
- B. The Contractor shall defend, at its own expense, and pay the cost and damages awarded in any action brought against the City based on an allegation that the Materials provided by the Contractor infringe on any patent, copyright, license or trade secret. In the event that an injunction shall be obtained against the City's use of the Materials by reason of infringement of any patent, copyright, license or trade secret, the Contractor shall, at its own expense, procure for the City the right to continue using the Materials or replace or modify the same so that it becomes non-infringing.

6.35. PAYMENT TERMS, TAXES AND INVOICES

The City shall only pay original proper invoices issued in accordance with the following:

A. Payment Terms

The City's standard terms of payment are net thirty (30) days; however, this does not preclude the Contractor from providing a prompt payment discount for the payment of invoices in less than thirty (30) days. Payments considered past-due may be subject to incurred interest not to exceed one percent (1%) per month.

B. Taxes

The City is exempt from sales and use taxes. The Contractor shall exclude such taxes from all forms of requests for payments issued to the City; the City shall not be liable for or pay or reimburse the Contractor for any such taxes. A copy of the City's Sales and Use Tax Exemption Certificate is provided below.

C. Invoices

Original invoices shall include at a minimum, the Contractor's name, address, telephone and fax numbers, and if applicable, email address and corresponding purchase order number. Invoices shall be submitted to: City of Gaithersburg, Accounts Payable Division, 31 South Summit Avenue, Gaithersburg, Maryland 20877.

6.36. RECORDS

- A. The Contractor shall retain any and all records and documents relating to the Services under the Contract for a minimum of five (5) years following payment of the Contractor's final undisputed proper invoice for the complete rendered Services. The Contractor shall make available to the City, State of Maryland and any and all appropriate Federal agencies, all records and documents with respect to any and all matters under the Contract at any time during normal business hours, as often as the City deems necessary, to audit, examine, and make copies, excerpts and/or transcripts of any and all relevant data.
- B. The Contractor shall include similar provisions in all subcontracts.

6.37. SUBCONTRACTORS

The Contractor acknowledges and agrees: that if it shall be necessary to hire or subcontract with competent personnel to fulfill its obligations under the Contract, it shall do so at its own expense; and to ensure that any and all work assigned to any subcontractor shall be performed in compliance with all of the terms and conditions of the Contract. Nothing contained in the Contract shall create any contractual relation between any subcontractor and the City.

6.38. SURVIVAL

The representations, warranties and indemnities contained herein shall survive the termination of the Contract.

6.39. TERMINATION

A. Termination for Cause

If through any cause, the Contractor fails to fulfill in a timely and proper manner its obligations under the Contract, or if the Contractor violates any of the provisions of the Contract, the City may upon written notice to the Contractor, terminate the right of the Contractor to proceed under the Contract or with such part or parts of the Contract to which there has been default, and may hold the Contractor liable for any damages caused the City by reason of such default and termination, if the default is not corrected within 15 days' notice to cure. In addition, the Contract may be terminated for the bankruptcy, dissolution, assignment for the benefit of creditors, or other similar action of the Contractor.

In the event of such termination, any completed Services performed by the Contractor under the Contract shall, at the option of the City, become its property and the Contractor shall be entitled to receive equitable compensation for any work completed to the satisfaction of the City. The Contractor, however, shall not thereby be relieved of liability to the City for damages sustained by the City by reason of any breach of the Contract by the Contractor, and the City may withhold any payments to the Contractor for the purpose of setoff until such time as the amount of damages due the City from the Contractor is determined. The Contractor shall not be responsible for damages under this article solely for reasons of delay if the delay is due to causes beyond its control and without its fault or negligence, but this shall not prevent the City from terminating the Contract for such delay.

B. Termination for Convenience

The City may, upon written notice and without cause, terminate the Contract in whole or in part at any time for its convenience. In such instance, payment shall be made to the Contractor for the reasonable costs of the work performed through the date of termination. Termination costs do not include lost profits, consequential damages, delay damages, unabsorbed or under-absorbed overhead of the Contractor or its subcontractors or suppliers. Failure of the Contractor to include a termination for convenience clause into its subcontracts and material purchase orders shall not result in any liability to the City for lost profits in conjunction with a termination for convenience.

The Contractor expressly waives any damages, delay damages, or indirect costs which may arise from the City's election to terminate the Contract in whole or in part for its convenience.

C. Termination for Non-Appropriation of Funds

The City shall not be obligated to the Contract for any future fiscal year until funds are appropriated for each such future fiscal year. In the event funding appropriation is not approved, the City may, upon written notice, terminate the Contract in whole or in part and without penalty or expense to the City. The effect of such action shall terminate the Contract on the last day of the fiscal year for which appropriations were made.

SECTION 7: Special Terms and Conditions

7.1. INSURANCE

- A. The Contractor shall be responsible for obtaining and maintaining in force, at its expense, policies of insurance with minimum limits as follows:
 - I. Commercial General Liability Insurance in an amount no less than One Million Dollars (\$1,000,000.00);
 - II. Workers' Compensation Insurance in an amount no less than Five Hundred Thousand Dollars (\$500,000).
- B. Prior to the execution of the Contract, the Contractor shall provide the City with a certificate of insurance, which: (i) shall evidence the above policies and name the City as additional insured with respect to the Commercial General Liability Insurance only; and (ii) shall contain a provision that requires the Contractor's insurers to provide the City with a written notice of any cancellation or adverse material change in the insurance and that such cancellation or adverse material change shall not be effective with respect to the City for thirty (30) days after such written notice is given.
- C. The Contractor hereby acknowledges and agrees that its failure to provide the City with a certificate of insurance and/or the failure by the City to demand the delivery of said certificate shall not operate or be deemed to operate as a waiver of the insurance and associated endorsements required under this provision, and the Contractor shall hold the City harmless from any liability arising as a result of any such failure(s).

7.2. PAYMENTS

Payments under the Contract shall be based on the Contractor's completion milestones, to be later established and agreed upon between the City and the Contractor, and following the receipt of undisputed proper invoices for the same, which are issued in accordance Section 6.36 of this Solicitation.

~ END OF SECTION 7 ~

SECTION 8: System Requirements and Specifications

8.1. OVERVIEW

The City wishes to improve the efficiency of its annual budget process so as to streamline the process and shorten the time needed to develop and prepare the final budget document. The goal is to have the Budget System fully operational for the City's FY17 budget process, which typically begins in early-mid December, but acknowledges this may not be feasible. The City is open to a phased implementation plan.

8.2. ABOUT THE CITY

With just over 62,000 residents located in the heart of Montgomery County, Gaithersburg is one of the largest cities in Maryland. The City occupies approximately 10 square miles in the geographic center of Montgomery County, Maryland. The southeastern border of the City lies just 13 miles from the northwestern border of Washington, D.C.

The City operates under the council-manager form of municipal government, with the City Manager being appointed by the City Council. The Mayor and City Council are elected to staggered four-year terms, and the Mayor serves as Council President. In addition, Gaithersburg is a CHARACTER COUNTS! City and embraces the Six Pillars of Ethics as created by the Michael Josephson Institute of Ethics. The City adopted this nationwide program in 1995 to promote respect, responsibility, fairness, caring, trustworthiness and citizenship.

8.3. GENERAL

The City appreciates experience with clients of similar size and scope of the City, and is open to solutions based on the experience and knowledge gained from prior implementations. Any recommended solutions shall meet the functionality and minimum requirements specified herein.

8.4. SYSTEM FUNCTIONALITY AND MINIMUM REQUIREMENTS

Core functionality of the Budget System should include the following:

- A. Multi-user budget request entry
- B. Version control
- C. Import of financial data from Excel based files
- D. Personnel salary and benefit calculations
- E. Five year capital improvement programming
- F. Multiple fund budgeting
- G. Flexible professional document presentation, enough to allow the City to publish a budget document that will meet all of Government Finance Officers Association (GFOA) Distinguished Budget Award Program criteria. If the Budget System is capable of preparing other complex financial reports such as the Comprehensive Annual Financial Report, please describe in your response.

8.5. BACKGROUND

Under the City's current budget process, operating departments enter budget requests which include: line item details, performance measurements, and notes on significant changes into a home grown Microsoft Access database. Reports from the database export to Microsoft Word and Excel. Those reports along with other Word and Excel files and graphs are combined in Adobe to create the City's final budget document. The City prepares an annual budget that is submitted to Government Finance Officers Association (GFOA) to compare to their Distinguished Budget Award Program criteria. The City's budget is available online for review at: <http://www.gaithersburgmd.gov/government/budget-and-strategic-planning>.

The City utilizes Munis, by Tyler Technologies, as its accounting system. Most salary and benefit information is contained in ADP's Human Resources module. ADP is also used for payroll processing, while timekeeping is done through Kronos.

8.6. TECHNICAL ENVIRONMENT

The City has a preference for on premise systems over Software as a Service (SAAS) systems where available. VMWare 5.1 is utilized wherever possible for on premise virtualized servers. Microsoft SQL Server 2008 R2 or later is preferred where applicable. The City has a synchronous 100 megabit connection to the internet.

All City desktop computers are running 64-bit Windows 7 Enterprise SP1 with Microsoft Office Professional Plus 2010 32-bit installed. Desktop computers have a minimum of 4 gigabytes of RAM and 1 gigabit LAN connections. The City prefers systems that do not require Java or Flash to be installed on desktop computers.
