Gaithersburg, Maryland 20878

This Amendment is incorporated into and made part of Request for Bids 2016-014 dated December 4, 2015 (hereinafter referred to as the "Solicitation") for the above named project. The purpose of this Amendment is to modify the Solicitation to now include provisions for alternative restoration methods and/or substitutions in materials, and to correct an omission in the work scope with respect to regrading. Except as provided herein, all other requirements, specifications and terms and conditions of the Solicitation remain unchanged and in full force and effect. The Solicitation is hereby amended as follows:

1. Section 6, Special Terms and Conditions, of the Solicitation is hereby amended to now include the following new subsection:

6.6. ALTERNATIVE METHODS AND SUBSTITUTED MATERIALS

The City will accept alternative restoration methods and/or substitutions in materials if such methods and/or materials are clearly identified in the Bid Proposal and meet the requirements and work scope specified in the Solicitation, as determined by the City, in its sole discretion. Notwithstanding the forgoing, alternative methods and/or substitutions are subject to the approval by the City.

2. The first bullet of Paragraph II of Subsection 7.3.C, Preservation, of the Solicitation is hereby amended in its entirety to now read as follows:
 - ↳ *Lower grade around building at least 8" below top of stone foundation and regrade and create a watershed pathway for storm water to discharge away from smokehouse.*
