

**AQUATICS MEMBERSHIPS**

**Who should buy a membership pass?** Patrons who intend to use the pools regularly are urged to consider purchasing a family or individual membership to save money and simplify admission at the front counter. Some may find that an individual pass is suitable for the most frequent swimmer in the family, but the daily admission fee is the most economical for infrequent users. **Benefits of membership include unlimited entrance into the facility, Water Park guest passes at a resident rate, early registration for programs, and program discounts (Youth & Adult swim lessons, Water Exercise, and Lifeguard Training).**

**Resident Rates** only apply to persons who reside within the Corporate City Limits of Gaithersburg and pay City taxes; not all persons with a Gaithersburg address are considered City residents. The Montgomery Village & Flower Hill areas are **not** within the City.
