Stay afterwards for the fireworks spectacular, now at Bohrer Park.

## City of Gaithersburg Press Release

For Immediate Release

### **Gaithersburg Water Park Adopts New Policy, Fees for 2016 Season**

**Gaithersburg, MD (February 2, 2016)** The Gaithersburg Water Park, located at Bohrer Park at Summit Hall Farm, is a popular amenity with residents and visitors throughout the summer. Last year it enjoyed its highest patronage since it was renovated in 2012; however that popularity highlighted some concerns related to overcrowding. To help reduce wait times and enhance the overall safety and security of the Water Park, the Mayor and City Council recently adopted several policy and fee changes that will take effect when the facility opens for the season on May 28, 2016.

Among the policy changes are:

- Advance admission for City residents and members one hour before general admission on weekends.
- The opportunity for advance reservation of pavilions, with City residents being given first opportunity. The pavilions have previously been available on a first come, first served basis. There will be a fee to utilize them.
- Designation of the entire Water Park as a smoke free facility.
- The prohibition of liquids being brought in from outside (empty plastic bottles, unopened cans and juice pouches will be allowed). The number of water filling stations will be increased. There are vending machines and a snack bar onsite.
- No re-entry with the exception of members and those with wristbands who are part of the pavilion rentals and Putt & Pool programs.
- Changes to ingress and egress patterns and queues to reduce congestion.

Fee changes were also adopted for the 2016 season. While there were no changes to the weekday or weekend resident daily admission of \$5.75 per person, the weekday admission for nonresidents will increase from \$8 to \$10 and the weekend admission for nonresidents will increase from \$12 to \$16. There are also fee changes for nonresidents to the Putt & Pool passes and advance group reservation fees.

For complete details and admission schedules visit [www.gaithersburgmd.gov](http://www.gaithersburgmd.gov).
