About Our Camps

**“Both my children
have been enrolled in camps.
They ALWAYS come home happy.
I am EXTREMELY pleased with them”**

~ Camp Imagination Parent

Age Appropriate Camps

Each camp is designed for a particular age group and programs are broken down by age, not by grade. Participation in the elementary school camps is based on age as of September 1, 2016. Participation in the middle school camps is based on age as of September 30, 2016. Camps are comprised of units of approximately 20 campers. Each unit is supervised by a Senior Counselor, who is at least a high school graduate, and a Junior Counselor, who has completed at least tenth grade. All camp sites have a Team Leader and one or two Assistant Team Leaders. These positions are normally filled by teachers or college-age students.

Program Site Changes

Due to circumstances beyond our control, the Department of Parks, Recreation and Culture may need to move a program to an alternate site. Parents will be notified of all changes as soon as possible.

Field Trips

Your camp registration fee covers the cost of all field trips. No additional fees are required for your child to participate unless otherwise noted. Transportation for all field trips will be provided by the City of Gaithersburg or Montgomery County Public School buses and/or vans.

Air Conditioning

The City requests air conditioning at all sites where available. Please note, however, that most of the gymnasiums in use by our programs **do not have air conditioning**.

Extreme Heat and Code Red Ozone Alerts

When code red ozone alerts and high temperature warnings are issued, programs will limit their outdoor activity and may provide alternative activities, including quiet games, water play and special events. However, activities will still be held outdoors for short periods of time.

Emergency Program Cancellations

For information regarding delays and closures of MCPS facilities, visit www.montgomeryschoolsmd.org. Please check the City's website at www.gaithersburgmd.gov or call our emergency cancellation number, 301-330-0050 x2432, for up-to-date information regarding emergency program cancellations in City facilities.

Behavior Policy

Appropriate behavior by participants is expected at all times. All campers will be asked to sign a Character Agreement detailing the department's guidelines on behavior and responsibility. The staff will work cooperatively with parents to keep them informed of inappropriate behavior and solicit their support to resolve conflicts and encourage positive interaction. Participants who remain disruptive after consultation with the parents may be dismissed from the program.

Late Pickup Penalty

A late fee of **\$3 per every 10 minutes per child** will be charged to parents who arrive late to pick up their children. Payment is due upon arrival and a child may not participate again until the late fee has been paid.

CAMPER INFORMATION

The City is committed to providing your child with a safe and fun summer experience. As a parent, help us help your child have a successful summer by providing accurate and factual information about:

- Child's date of birth (a copy of a birth certificate may be required)
- Allergies and regular medications
- Any special needs your child might have
- Accurate address/phone numbers

Please note that to qualify for a City of Gaithersburg resident rate, the **child** must live within the City's corporate limits. All residents will be asked to provide proof of residency at the time of registration.

A series of required camp forms will be mailed to you approximately two weeks before the first session begins. These forms will also be available online mid-April at www.gaithersburgmd.gov/leisure/camps. Forms **MUST BE** completed and returned to the camp site on the first day your child attends camp. If your child is not currently attending a school in the State of Maryland, you must provide a copy of the child's immunization records.

INCLUSION PROGRAM

Children with disabilities ages 3 – 14 may be eligible to participate in our Summer Camp programs. In some instance, an inclusion companion may be assigned to work one-on-one with your child to enhance his or her experience over the summer. The objective of this program is to mainstream the child into the overall camp setting. The emphasis is not to give special or unusual attention to children, which tends to set individuals apart, but rather to create an atmosphere of friendship and acceptance. Registration and requests for companions **must** be made at least three weeks before the start of the program. For more information please contact Rachel Tailby at 301-258-6350 x144.

AMERICANS WITH DISABILITIES ACT

The City of Gaithersburg is committed to making reasonable accommodations as required by the Americans with Disabilities Act. Requests **must** be made three weeks prior to the start of the program.

VOLUNTEER PROGRAMS

Volunteer applicants must be dependable, hard-working, positive and energetic individuals. Applicants must be at least 14 years old or entering 9th grade in the fall of 2016 to apply for volunteer placement.

Counselor-In-Training (CIT) Program

The primary duty of a CIT is to assist the counselors with the supervision of an assigned group of campers for a two-week session. CITs are also responsible for planning, organizing and actively participating in a variety of fun and safe activities including sports, games, arts and crafts and special events. CITs may not be permitted to volunteer for more than two sessions.

Inclusion-Recreation-Volunteer (IRV) Program

IRVs work one-on-one with an assigned camper with disabilities. IRVs are responsible for helping their campers to participate in daily games and ensuring their participants' safety. IRVs also work with counselors to adapt games and activities to better include their campers. There are no session limitations for IRVs.

Ascending Leaders Institute (ALI) Program

The Ascending Leaders Institute (ALI) is an all-new two week leadership program that provides teen participants with a unique combination of formal leadership training and hands-on, practical job experience in the camp setting. Participants will engage in exciting team-building activities, interactive workshops and field trips throughout the first week. During the second week, ALIs will be placed as Counselors-in-Training at the City's camp sites.

How to Apply

The volunteer application/interview process begins in mid-January. Please visit www.gaithersburgmd.gov keyword: CIT or the Activity Center at Bohrer Park for detailed information.

Beginner and Intermediate
7 – 13 years old by the first day of program

Through a combination of group and one-on-one coaching, our instructors create a positive environment to help your child become a safer, better skateboarder. After a preliminary assessment, participants are assigned to a unit with skaters of the same skill-set and are encouraged to progress at their own rate. Beginner instruction is designed for skateboarders who can maneuver on open flat surfaces. Intermediate instruction is for skaters who have some experience in a skate park.

Participants must bring their own skateboard and wear a helmet. Elbow and knee pads are recommended. Helmets/pads are available for use during the clinic. Please note that on inclement weather days, skaters will be moved inside to participate in fun, skate-related activities.

Frequently Asked Questions

- Q. **My child will be the correct age for the camp by September 1, 2016, but not by the first day of camp which starts in June. Can she still register?**
- A. Yes, you may register your child for most of our programs as long as she/he is the correct age by September 1, 2016 – the deadline set by MCPS. If your child is not the stated age by the first day of camp in June, but will be by September 1, she/he is eligible to register. If your child turns the correct age no later than a week after the cut off, you may send a written request to override the registration to the site supervisor for that program. The supervisor will make determinations on a case by case basis.
- Q. **Are units divided by grade or by age? My son and his best friend want to be in the same unit together, but one is 7 and one is 8 years old.**
- A. Units are made by age, not by grade. They are based off of a 1:10 staff to child ratio and depend on the number of children in each age bracket. For example, if one site has more 8 year olds than 7 year olds, the 8 year olds could end up in Unit 2 instead of Unit 3 at another site. If you would like your son and his friend to be in the same unit, please contact the site supervisor about two weeks before camp start to make the request. Please note that we try to accommodate all requests, but the safety of our participants and the ratios of staff to campers are our priority.
- Q. **Can I enroll my child in the same camp all summer?**
- A. Yes, you certainly may register for the same site all summer. We understand that having your child at the same site all summer with the same staff can be reassuring to many campers. Staff will make every effort to vary events and activities. Please note that it is possible that some trips are repeated.
- Q. **What is the staffing structure of your camps?**
- A. Each site will have 2-3 Team Leaders who are in or have graduated college. Many of our Team Leaders are teachers during the school year. Each unit will have two counselors, one being at least a Senior Counselor. A Senior Counselor is a staff member who has graduated high school or is at least 18 years old. Most of our Senior Counselors are college students who return year after year. The other counselor could be a Junior Counselor who is still in high school. All our staff have been fingerprinted and received background checks with the FBI. They have also undergone a background check with Child Protective Services, per Maryland State Law.
