SPACE ASSIGNMENTS

Only one vehicle is allowed and it must be parked behind your space or in the designated parking area, unless you are dropping off items and moving your truck to a different location outside of the market/market parking area. Vendors can only purchase one space per market. We can accommodate vendors who need a 10'x10' to 10'x30'. **All vendors must provide their own set up which includes tables, chairs, and canopies with weights for windy conditions, and must take responsibility for setup and teardown. Each vendor will also display a neat, legible sign identifying their business.** Spaces will be assigned to all vendors before the market season begins. If accepted into the market, you will receive a vendor packet that includes a map showing you where your space is located. Vendors will be expected to adhere to their assigned space for the entire duration of the market season. Vendors are not permitted to make their own arrangements to change their assigned space. If you have a concern with your space, you must contact the Market Coordinator.

All spaces will be temporarily marked for the first market day. For the remainder of the season, vendors will be expected to know where their space is located. If necessary, vendors should bring the map provided in the vendor packet and a measuring device to ensure that they are setting up within their assigned space and dimensions. Vendors may **ONLY** set up in their assigned space(s).
