

# SAVING FOR SUCCESS FINANCIAL WELLNESS WORKSHOPS

Helping To Create a Brighter Financial Future

**A Partnership  
Between**

*How do I create a budget and stick with it?*  
*Should I open a savings and/or checking account?*  
*What is credit?*  
*What is identity theft and how can I avoid becoming a victim of a scam?*

Family Services, Inc. has partnered with the Maryland CASH (*Creating Assets, Savings, and Hope*) Academy Program to offer **FREE** financial education workshops in English and Spanish within the Gaithersburg, Maryland community.

### **What are the Financial Literacy Workshops?**

These workshops are set up to enable community members to strengthen their financial skills and teach people how to make informed financial decisions.

### **Who teaches the financial education classes?**

Classes are taught by professionals who represent the public, private and non-profit sectors. Each educator must satisfy qualifications for experience and agree to offer objective and fact-based classes.
