

# VOLUNTEER FINANCIAL COACHES NEEDED

Understanding the importance of budgeting is generally recognized as the first step in successful financial planning.

## WHO ARE OUR COACHES?

Professionally trained volunteers and certified (AFC or other) professional coaches

Volunteers coaches are trained by professional trainer in coaching methods, technology, and budgeting techniques.

Coach and client meet 1x/month for 1hr/session.

*MyBudgetCoach™ program has launched in Maryland.  
Volunteer coaches needed! Free Training Provided.*

## Would you like a rewarding volunteer job helping someone build their financial well-being?

The MyBudgetCoach™ (MyBC) program matches you, a trained volunteer budget coach, with a member. You would meet once a month for 12 monthly sessions, with each session covering budgeting techniques, financial management and goal attainment strategies.

### OUTCOMES:

- Control over day-to-day, month-to-month finances
- Capacity to absorb a financial shock
- Financial freedom to make choices to enjoy life
- On track financially to reach life goals

So far, there are 141 MyBC members, 281 goals set, 27 goals reached, 50 budgets created, and counting!

**No Experience needed. Training provided.**

If you have 2 hours a month and want to help others build their financial well-being, sign up today!
