Eric A. Reed

CEO/Founder of CiBEXO Group (SPAGnVOLA). An award-winning, small business owner and industry expert in designing micro to medium scale chocolate manufacturing facilities. His primary focus is on premium chocolate production. Mr. Reid travels throughout the Caribbean, Latin America and West Africa to support the cocoa industry and innovate ways to eradicate poverty by helping to bring forth wealth, prosperity and dignity to cocoa farmers. With his mission to enrich cacao farmers, Mr. Reid and his family plan to expand their Chocolate Academies and factories in Nigeria and Barbados to develop a new wave of informed cacao chocolatiers while encouraging continued growth in the economies of Latin America, West Africa and the Caribbean.
