For 2020 Summer Camp participation during the COVID-19 Pandemic (COVID-19), I voluntarily accept, acknowledge my agreement, and will follow, as parent or guardian on behalf of my child, the following conditions or requirements:

1. Based on COVID-19, I verify that neither myself nor my child has any underlying health condition making myself or my child particularly vulnerable to COVID-19, and that I have discussed my child's participation in camp with his/her healthcare provider including considerations related to the risk of COVID-19. I verify that neither myself nor my child is showing any symptoms of COVID-19, including cough, shortness of breath or difficulty breathing, fever of 100.4°F or higher, chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell. I accept, agree and acknowledge that the City may take the temperature of my child at any time. I accept, agree and acknowledge that if my child develops these symptoms during the Camp or I or my child or anyone in the child's household tests positive for COVID-19, my child will not be able to participate and the Camp may be closed at any time, without prior notice, in that event. I understand that if my child is removed from camp due to a suspected or confirmed case of COVID-19, they may not return to camp without written clearance from a physician.
2. I understand and accept that if or to the extent required by any applicable Federal, State, County or local order, including but not limited to orders issued by the Governor of the State of Maryland, Montgomery County Health Board, Montgomery County Local Health Officer or the City, my child must be quarantined if he or she has traveled outside the State of Maryland during the last fourteen (14) days or does so during the Camp, and will comply with any such requirement. I also understand and accept that the City may deny my child's participation in that event.
3. I agree and accept the risk that the Camp could be closed at any time based on a person experiencing COVID-19 symptoms, including cough, shortness of breath or difficulty breathing, fever, chills, repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell, or anyone testing positive for COVID-19.
4. I agree to provide my Child with an appropriately fitting facemask for use during the Camp which he or she will wear at all times while at the Camp, and understand and acknowledge that my Child will not be permitted to participate in the Camp if he or she is not wearing a facemask. I also understand the City may provide a facemask for my child as a condition to allowing him or her to continue to participate, and hereby accept the risk and waive and release the City from all claims and liabilities of any kind related to any such facemask or the use of any facemask the City provides.
5. I accept, acknowledge and understand that the City and City staff will to the best of their ability require and enforce all applicable requirements which may assist in offering protection from the COVID-19 epidemic, as specified in the Center for Disease Control guidelines [www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/summer-camps.html](http://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/summer-camps.html) including but not limited to social distancing, sharing of supplies, crafts and equipment, and cleaning and hand washing, but understand the atmosphere of the Camp may not allow perfect enforcement and assume the risk of my child's participation and waive and release the City from all claims and liabilities of any kind related to that participation or any requirement imposed on my Child as the City and City staff makes their best efforts to comply with the attached guidelines.
