

## How to Log-In for a Current User

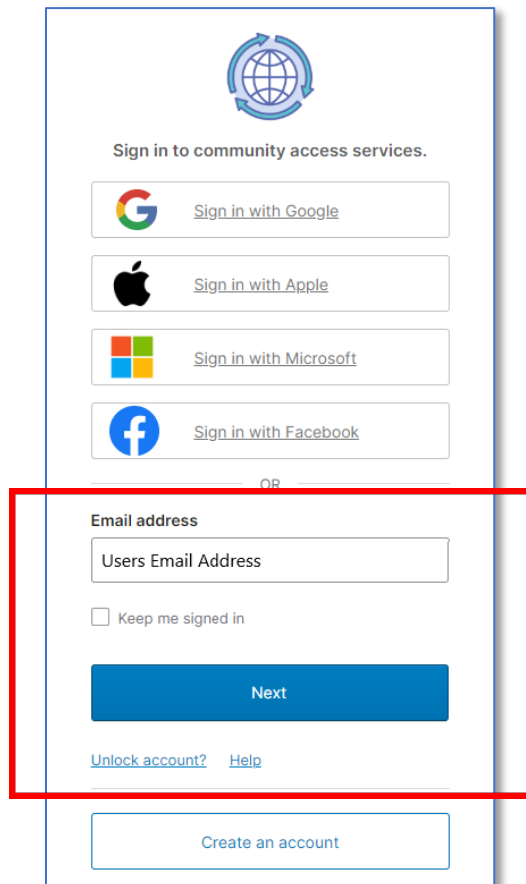

### **Option 1: Sign in with Email address and Password**

1. Click **Login or Register**, located at the upper right-hand side of your screen.

[Login or Register](#) 

2. Type the email address and Click **Next**.

The screenshot shows a login form titled 'Sign in to community access services.' with a globe icon. Below the title are four social login options: 'Sign in with Google', 'Sign in with Apple', 'Sign in with Microsoft', and 'Sign in with Facebook'. Below these options is the text 'OR'. The form then has an 'Email address' label, a text input field containing 'Users Email Address', a checkbox for 'Keep me signed in', and a blue 'Next' button. At the bottom of the form are links for 'Unlock account?' and 'Help', and a 'Create an account' button. A red rectangular box highlights the 'Email address' field, the 'Keep me signed in' checkbox, the 'Next' button, and the 'Unlock account?' and 'Help' links.

3. Enter Password and click **Verify**.

Verify with your password

## Option 2: Single Sign On with: Google, Apple, Microsoft, or Facebook account

1. Click **Login or Register**, located at the upper right-hand side of your screen.

[Login or Register](#) 

2. Click on the application you used to register your account. *For example if you registered using your Gmail account, please select Google.*

The screenshot shows a sign-in form titled 'Sign in to community access services.' The form is enclosed in a blue border. At the top is a globe icon with circular arrows. Below the title are four social media sign-in options, each in a white box with a rounded border: 'Sign in with Google' (with the Google 'G' logo), 'Sign in with Apple' (with the Apple logo), 'Sign in with Microsoft' (with the Microsoft logo), and 'Sign in with Facebook' (with the Facebook 'f' logo). These four options are highlighted with a red rectangular border. Below these options is the text 'OR'. Underneath is the 'Email address' section, which includes a text input field containing 'Users Email Address', a checkbox for 'Keep me signed in', and a blue 'Next' button. At the bottom of the form are two links: 'Unlock account?' and 'Help', and a 'Create an account' button.

3. *Example below uses Google.* Select the account you used to register your CSS account with the City of Gaithersburg. Any other selection will cause issues linking your applications, issued : Permits, Licenses, and Plan.
