The City shall immediately return the bid bond of any Offeror whose Proposal is deemed by the City to be non-responsive, or shall immediately return all bid bonds in the event the Solicitation process is canceled by the City.

**7.14. OPTIONAL GOODS AND/OR SERVICES**

The City reserves the right to request and evaluate optional goods and/or services which may be in the best interests of the City, and to negotiate the price of such goods and/or services with the successful Offeror or with another Offeror, whichever is determined to be the most advantageous to the City. While pricing for optional goods and/or services may be requested in this Solicitation, the City is under no obligation to consider such optional goods and/or services when selecting the successful Offeror unless otherwise stated.

**7.15. SOLICITATION DOCUMENTS**

The Offeror is expected to carefully and thoroughly examine all of the Solicitation Documents for accuracy and completeness, and to become familiar with the same. If doubt exists as to the meaning and/or intent in or of any of the Solicitation Documents, the Offeror shall make an inquiry as to such meaning and/or intent. The failure of the Offeror to examine and become familiar with any and all of the Solicitation Documents shall in no way relieve the Offeror of its obligations under the Contract, if awarded to the Offeror. The submission of a Proposal shall be taken as prima facie evidence of compliance with this provision and that the Offeror fully understands everything in the Solicitation Documents.

**7.16. SOLICITATION PROTEST**

Any protest of this Solicitation shall be in writing to the City Attorney. The provisions of COMAR Title 21.01.03.01A(7), State Procurement Regulations, do not apply to municipalities and are not applicable to this Solicitation. Protests of alleged improprieties in this Solicitation shall be filed prior to the Submission Deadline. Any written protest shall, at a minimum, include: (i) the name, address, telephone number, and if available, email address of the Person making the protest; (ii) the Solicitation number and a detailed statement of the legal and factual grounds for the protest, including a description of resulting harm to the Person making the protest; and (iii) any and all copies of supporting exhibits, evidence and/or documents to substantiate the claim.

**7.17. USE OF BROKER**

The Offeror warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees, or bona fide established commercial or selling agencies maintained by the Offeror for the purpose of securing business. For violation of this provision, the City shall have the right, in its sole discretion: (i) to terminate or suspend the Contract without liability to the City, its officials or employees; or (ii) to deduct from the Contract price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

**7.18. ASSIGNMENT OF THE CONTRACT**

The City's rights under the Contract are personal to the Contractor. It is mutually understood and agreed that the Contractor shall not assign, convey, sublet, transfer or otherwise dispose of its Contract or its right, title or interest therein, or its power to execute the Contract, to any other person without the express written consent of the City; however, in no case shall such consent relieve the Contractor from its obligations under the Contract, or change the terms and conditions of the Contract.

**7.19. CHANGES IN GOODS AND/OR SERVICES**

The City, without invalidating the Contract, may order changes in the goods and/or Services within the general scope of the Contract, consisting of additions, deletions and/or other revisions, and the Contract sum and term shall be adjusted accordingly. Any cost or credit to the City from a change in Services shall be determined by mutual written agreement between the City and the Contractor. The Contractor shall provide all of the goods and services that may be required to complete the Contract at the price agreed upon. Any alterations of variables to the terms of the Contract shall not be valid or binding upon the City unless made in writing and signed by the City and the Contractor.

**7.20. CONTRACT DISPUTES**

Any and all disputes arising under the Contract, except under the provisions for termination, which are not disposed of by agreement between the City and the Contractor, shall be decided under procedures A-D listed below. Pending final resolution of a dispute, the Contractor shall proceed diligently with Contract performance. A claim must be in writing for a sum certain and any money requested must be fully supported by all cost and pricing information.

- A. All disputes, claims, questions of fact or interpretations of the documents of the Contract not disposed of by agreement or express provision of the Contract arising between the City and the Contractor after performance of the Contract has commenced but before final payment and termination of the Contract, are decided by the City Manager.
- B. The City Manager must give the Contractor not less than three (3) working days to submit documentation and written reasons supporting the Contractor's position in the dispute. The City Manager may consider any other information or written submissions from City employees or agents and may conduct an informal, non-record hearing for receipt of testimony, evidence and/or argument. The City Attorney may participate in the hearings to protect the City's interest.
- C. The City Manager must render a decision, in writing, stating reasons for such decision and provide copies to the Contractor and the City Attorney. If the decision is mailed to the Contractor, it must be mailed "certified" and dated the date of mailing; otherwise, it must be dated the date of delivery to the Contractor.
- D. The City Manager's decision may be submitted to Binding Arbitration by either Party under the auspices of an arbitrator appointed by the American Arbitration Association.

**7.21. DISSEMINATION OF DATA**

The Contractor shall not release any information related to the Services under the Contract or publish any reports or documents related to the same without the prior written approval of the City. The Contractor shall include a similar provision in all subcontracts.

**7.22. EMPLOYMENT AS INDEPENDENT CONTRACTOR**

The City and the Contractor recognize and agree: (i) that the Contractor shall act as an independent Contractor to the City; (ii) that the Contract does not create any actual or apparent agency, partnership, franchise, or relationship of employer and employee between the parties; (iii) that neither party shall be entitled to participate in any of the other party's benefits, including without limitation, any health or retirement plans; (iv) that the Contractor shall not be entitled to any remuneration, benefits, or expenses other than as specifically provided for in the Contract; and (v) that the City shall not be liable for any insurance, taxes, or withholding for or on behalf of the Contractor; all such insurance, taxes or withholding, and costs for same, shall be the sole responsibility of the Contractor.

**7.23. ETHICS LAWS AND REQUIREMENTS**

The Contractor shall comply with the financial disclosure and conflict of interest and lobbying provisions of the City's ethics laws, which may be found on the City's [website](#).

**7.24. FORCE MAJEURE**

The City and the Contractor acknowledge and agree that either party hereto will be relieved of its obligations hereunder in the event and to the extent that the performance of its obligations under the Contract is delayed or prevented by any cause beyond its control, including, without limitation, acts of God, public enemies, war, insurrection, acts or orders of governmental authorities, fire, flood, explosion, or riots ("Force Majeure"). Failure to receive necessary materials and supplies will not excuse performance hereunder unless such failure is itself due to an event of Force Majeure. A party obtaining relief under this provision shall make every reasonable effort to minimize the effects thereof and will promptly resume performance as soon as possible.

**7.25. GOVERNING LAW**

The Contract shall be construed in accordance with the laws and regulations of the United States, State of Maryland, and the City. For purposes of litigation involving the Contract, exclusive venue and jurisdiction shall be in the Circuit Court of Maryland for Montgomery County, District Court of Maryland for Montgomery County or the United States District Court of Maryland.

**7.26. IMMIGRATION REFORM AND CONTROL ACT**

The Contractor shall warrant that it does not and shall not hire, recruit or refer for a fee for employment under the Contract, an alien, knowing the alien is an unauthorized alien, and hire any individual without complying with the requirements of the Immigration Reform and Control Act of 1986 ("Act"), including but not limited to any verification and record keeping requirements. The Contractor shall further assure the City that, in accordance with the Act, it does not and will not discriminate against an individual with respect to hiring, or recruitment or referral for a fee, of the individual for employment or the discharging of the individual from employment because of such individual's national origin or in the case of a citizen or intending citizen, because of such individual's citizenship status.

**7.27. INCONSISTENT PROVISIONS**

Notwithstanding any provisions to the contrary in the terms and conditions of any contract supplied by the Contractor, the conditions of this Solicitation and the Contract supersede those terms and conditions in the event of inconsistency. In the event of any inconsistency between any of the provisions of this Solicitation and any of the provisions of the Contract, the provisions of the Contract shall take precedence over and supersede those provisions in the event of any inconsistency.

**7.28. INDEMNIFICATION**

A. The Contractor shall agree to indemnify, hold harmless and defend the City from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs and expenses ("Claim") suffered or incurred by the City or any third party resulting from any negligent acts by or errors or omissions of the Contractor, its employees, agents or subcontractors in connection with the performance of the Contract, except that if the City reasonably determines that any indemnified Claim might adversely affect the City, the

City may take control of the defense at the City's expense. The Contractor may not consent to the entry of any judgment or enter into any settlement of any Claim without the City's prior written consent, which may not be unreasonably withheld.

- B. In the event of litigation between the City and the Contractor arising under, related to, or in connection with the Contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the non-prevailing party at the arbitration, trial and/or appellate levels.

**7.29. LAWS AND REGULATIONS**

The Contractor shall comply with any and all applicable federal, state and local laws, codes and regulations with respect to the Services under the Contract.

**7.30. NO LIENS**

The Contractor shall have no title or interest in any of the goods delivered to the City under the Contract. In no event shall the Contractor encumber any such goods delivered to the City with any lien of any kind or offer such goods as collateral in any transaction whatsoever. The Contractor shall, upon completion of the Services, provide the City with a Release of Liens from any subcontractor or other supplier.

**7.31. NO WAIVER**

Except as otherwise specifically provided in the Contract, a waiver by either party to the Contract of any breach of any provision of the Contract, or either party's decision not to invoke or enforce any right under the Contract, shall not be deemed a waiver of any right or subsequent breach, and all provisions of the Contract shall remain in force.

**7.32. NONEXCLUSIVE**

Nothing in the Contract shall be deemed to act as a bar to the City's solicitation or purchasing of equipment, goods or services from any other company or entity.

**7.33. NON-DISCRIMINATION REQUIREMENTS**

A. The Contractor acknowledges and agrees that during the term of the Contract it shall:

- I. Not discriminate against any employee or applicant for employment because of race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, gender identity, genetic testing, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era.
- II. Take affirmative action to ensure that applicants and employees are treated without regard to their race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, gender identity, genetic testing, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era. Such action shall include but not be limited to the following: employment, upgrade, demotion or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
- III. In all solicitations for employees, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, gender identity, genetic testing, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era. The Contractor agrees to use clauses similar to those above in all contracts and subcontracts. In the event the Contractor fails to comply with the nondiscrimination clauses of the Contract, or fails to include such provisions in all contracts and subcontracts, as hereinabove provided, the Contract may at the sole discretion of the City be declared void AB INITIO, canceled, terminated or suspended in whole or in part with waiver of any recourse by the Contractor against the City or its officials or employees, and the Contractor may be declared ineligible for further contracts with the City.

- B. Any employee, applicant for employment, or prospective employee with information concerning any breach of these requirements may communicate such information to City Manager who shall commence a prompt investigation of the alleged violation. Pursuant to such investigation, the Contractor shall permit access to their books, records and accounts. In the event the City Manager concludes, on the basis of such investigation, that the Contractor has failed to comply with these nondiscrimination clauses, the City Manager may invoke the remedies hereinabove set out.

**7.34. OWNERSHIP OF MATERIALS**

Unless otherwise agreed in writing by the City and the Contractor, any work, specifications, information, data, drawings, software and other items produced under the Contract, other than any Contractor Tool, is to be deemed a work-for-hire to the extent permitted by law, and, to the extent not so permitted, shall be assigned to, and shall become, the exclusive property of the City.

**7.35. PATENTS**

- A. Whenever any article, material, appliance, process composition, means or things called for by the specifications (“Materials”) under this Solicitation is covered by Letters of Patent, the Contractor shall secure, prior to using or employing such Materials, the assent in writing of the owner or licensee of such Letters of Patent and file the same with the City.
- B. The Contractor shall defend, at its own expense, and pay the cost and damages awarded in any action brought against the City based on an allegation that the Materials provided by the Contractor infringe on any patent, copyright, license or trade secret. In the event that an injunction shall be obtained against the City’s use of the Materials by reason of infringement of any patent, copyright, license or trade secret, the Contractor shall, at its own expense, procure for the City the right to continue using the Materials or replace or modify the same so that it becomes non-infringing.

**7.36. INVOICES, PAYMENT TERMS AND TAXES**

The City shall only pay original proper invoices issued in accordance with the following:

- A. Original invoices shall include at a minimum, the Contractor’s name, address, telephone and fax numbers, and if applicable, email address and corresponding purchase order number. Invoices shall be submitted to: Information Technology, 31 South Summit Avenue, Gaithersburg, Maryland 20877, it@gaithersburgmd.gov.
- B. The City’s standard terms of payment are net thirty (30) days; however, this does not preclude the Contractor from providing a prompt payment discount for the payment of invoices in less than thirty (30) days. Payments considered past-due may be subject to incurred interest not to exceed one percent (1%) per month.
- C. The City is exempt from sales and use taxes. The Contractor shall exclude such taxes from all forms of requests for payments issued to the City; the City shall not be liable for or pay or reimburse the Contractor for any such taxes.

**7.37. RECORDS**

The Contractor shall retain any and all records and documents relating to the Services under the Contract for a minimum of five (5) years following payment of the Contractor’s final undisputed proper invoice for the complete rendered Services. The Contractor shall make available to the City, State of Maryland and any and all appropriate Federal agencies, all records and documents with respect to any and all matters under the Contract at any time during normal business hours, as often as the City deems necessary, to audit, examine, and make copies, excerpts and/or transcripts of any and all relevant data. The Contractor shall include similar provisions in all subcontracts.

**7.38. SUBCONTRACTORS**

The Contractor acknowledges and agrees: that if it shall be necessary to hire or subcontract with competent personnel to fulfill its obligations under the Contract, it shall do so at its own expense; and to ensure that any and all work assigned to any subcontractor shall be performed in compliance with all of the terms and conditions of the Contract. Nothing contained in the Contract shall create any contractual relation between any subcontractor and the City.

**7.39. SURVIVAL**

The representations, warranties and indemnities contained herein shall survive the termination of the Contract.

**7.40. TERMINATION**

**A. Termination for Cause**

- I. If through any cause, the Contractor fails to fulfill in a timely and proper manner its obligations under the Contract, or if the Contractor violates any of the provisions of the Contract, the City may upon written

notice to the Contractor, terminate the right of the Contractor to proceed under the Contract or with such part or parts of the Contract to which there has been default, and may hold the Contractor liable for any damages caused the City by reason of such default and termination, if the default is not corrected within 15 days' notice to cure. In addition, the Contract may be terminated for the bankruptcy, dissolution, assignment for the benefit of creditors, or other similar action of the Contractor.

- II. In the event of termination, any completed Services performed by the Contractor under the Contract shall, at the option of the City, become its property and the Contractor shall be entitled to receive equitable compensation for any work completed to the satisfaction of the City. The Contractor, however, shall not thereby be relieved of liability to the City for damages sustained by the City by reason of any breach of the Contract by the Contractor, and the City may withhold any payments to the Contractor for the purpose of setoff until such time as the amount of damages due the City from the Contractor is determined. The Contractor shall not be responsible for damages under this article solely for reasons of delay if the delay is due to causes beyond its control and without its fault or negligence, but this shall not prevent the City from terminating the Contract for such delay.

**B. Termination for Convenience**

- I. The City may, upon written notice and without cause, terminate the Contract in whole or in part at any time for its convenience. In such instance, payment shall be made to the Contractor for the reasonable costs of the work performed through the date of termination. Termination costs do not include lost profits, consequential damages, delay damages, unabsorbed or under-absorbed overhead of the Contractor or its subcontractors or suppliers. Failure of the Contractor to include a termination for convenience clause into its subcontracts and material purchase orders shall not result in any liability to the City for lost profits in conjunction with a termination for convenience.
- II. The Contractor expressly waives any damages, delay damages, or indirect costs which may arise from the City's election to terminate the Contract in whole or in part for its convenience.

**C. Termination for Non-Appropriation of Funds**

The City shall not be obligated to the Contract for any future fiscal year until funds are appropriated for each such future fiscal year. In the event funding appropriation is not approved, the City may, upon written notice, terminate the Contract in whole or in part and without penalty or expense to the City. The effect of such action shall terminate the Contract on the last day of the fiscal year for which appropriations were made.

**8. SPECIAL TERMS AND CONDITIONS**

**8.1. INSURANCE**

- A. The Contractor shall at all times during the term of the Contract carry and maintain in full force and effect, at its expense, policies of insurance with minimum limits as follows:
  - I. Comprehensive commercial general liability insurance in an amount not less than One Million Dollars (\$1,000,000); and
  - II. Automobile fleet coverage One Million Dollars (\$1,000,000) for each occurrence/aggregate; property damage of Five Hundred Thousand (\$500,000) for each occurrence/aggregate; and
  - III. Workers' compensation insurance for all non-City employees and workers employed by the Contractor, in an unlimited amount for worker's compensation insurance as required by Maryland law; and for employer's liability insurance, in an amount not less than One Million Dollars (\$1,000,000); and
  - IV. Professional Liability Insurance in an amount of no less than One Million Dollars (\$1,000,000).
- B. The City shall be named as an additional insured under the comprehensive commercial general liability policy, and shall receive at least thirty (30) days written notice of any cancellation of that policy, such that any cancellation shall not be effective with respect to the City for thirty (30) days after such written notice is given.
- C. Prior to the execution of the Contract, the Contractor shall provide the City with a certificate of insurance, which shall: (i) evidence the above policies; (ii) name the City as additional insured with respect to the comprehensive commercial general liability insurance policy only; and (iii) contain a provision that requires the Contractor's insurers to provide the City with a written notice of any cancellation of the insurance and that such cancellation shall not be effective with respect to the City for thirty (30) days after such written notice is given.

- D. The Contractor shall also immediately notify the City in writing with a copy of any written notice from the Contractor's insurers of any cancellation or adverse material change in that policy. The Contractor acknowledges and agrees that its failure to provide the City with such notice, a certificate of insurance and/or the failure by the City to demand the delivery of said notice or insurance certificate shall not operate or be deemed to operate as a waiver of the notice, insurance and associated endorsements required under this provision, and the Contractor shall indemnify, defend and hold the City harmless from any liability arising as a result of any such failure(s).

**8.2. PAYMENTS**

Payments under the Contract shall be paid following the completion of milestones by the Contractor, to be later established and agreed upon between the City and the Contractor, and following the City's acceptance and receipt of an undisputed proper invoice(s) for the same. The City shall only pay invoices issued in accordance with Section 7.36 of this Solicitation.
