Dear Planner,

I live in the Deer Park area which is a residential zone. I am VERY concerned that the proposed addition of a crematorium as part of DeVol Funeral Home in my neighborhood will bring an industrial zone and will negatively affect the people I care about. I don't want a tall "chimney" emitting smoke and chemicals into the air where thousands of residents live, work, go to school. This parcel is not zoned for industrial use. I don't want the quality of life we have to be changed by more traffic, smoke, and who knows what kind of air. PLEASE reject this proposal.

Sincerely,

Laura Prebula

As a 32 year resident of Saybrooke and Gaithersburg I am asking you to say no to the creation of a crematorium on East Deer Park Road. This side of Gaithersburg is very fast going down the drain. Our property values have languished for years and smoke and fumes from a crematorium would put the last nail in the coffin. No pun intended

Have Devol put their abomination near Kentlands.

Subject: NO CREMATORIUM ON E. DEER PARK DR.

This email is from an EXTERNAL source. Please use caution when opening attachments, clicking links, or responding.

Dear Mayor Ashman, Planner Jasmine Forbes, Planning Commissioners and City Council Members,

I am writing to express my opposition to DeVol's request to build a crematorium on E. Deer Park Dr. here in Gaithersburg. I live in Observatory Heights and I support all those who spoke at the Public Hearing expressing their concern and opposition to this proposal.

Full service crematoriums are considered industrial and should be placed in a zone designated as such. If you approve DeVol's plan, you are showing a lack of respect for the health and quality of life of all residential neighborhoods near the commercial Frederick Ave. corridor.

PLEASE VOTE NO FOR DEVOL'S CREMATORIUM PROPOSAL.

Thank you,

I agree with Ms. Christianen that more time is needed to research and discuss this proposal intelligently, not that I maintain anything is indeed lacking with its merits. I simply don't know yet. Please postpone official discussion to afford more time for public participation. Thank you.
