Dear Mayor/Councilman/Planner,

I live in the Deer Park area which is a residential zone. I am concerned that the DEVol Crematorium will bring an industrial zone into my neighborhood and will negatively affect the people I care about. I don't want a tall "chimney" emitting smoke and chemicals into the air where thousands of residents live, work, go to school. This parcel is not zoned for industrial use. I don't want the quality of life; here changed by more traffic and smoke. Please reject this proposal.  
Thank you,  
Mohammed Eslami

Dear Mayor/Councilman/Planner,

I live in the Deer Park area which is a residential zone. I am extremely concerned that the DeVol crematorium will bring an industrial zone into my neighborhood and will highly impact me and my family and people in my community that I care about in a very very negative way!

I do not want this capability in a town that I love and caRe about where an establishment will be emitting smoke and chemicals into the air we breathe....where thousands of residents live work, and

go to school. This parcel is not zoned for industrial use. I do not want the quality of life here changed by more traffic and smoke. This requested proposal is Not supposed to be allowed to be conducted in a community environment but rather out in the middle of nowhere why should all of our lives and a town we love be jeopardized for one business that will ultimately be endangering our health and children's lives.

I love the city of Gaithersburg. And look forward to living here for many years. I beg you... please do what is right for the citizens of Gaithersburg and reject this proposal.

Would you want to live near a cremation center and chance your family breathing it in?

Thank you for taking time to read my email, and taking my request into consideration.

Hi Jasmine,

I don't see Exhibits 46-50 or Exhibit 81 for the DeVol Application. Are those exhibits to be added later? I would like to view them, please.
