I receive this shocking information of developing crematorium in E Deer Park by Gaithersburg City. If it is true, it is totally against the residents interest nearby and the city and mayor should stop it and we will use our vote in Nov. to punish anyone who support this plan. Please let me know the updated information of your planning.

> I live in Rosemont and have done so for 20 years with my family. This is adjacent to Deer Park area which is a residential zone. I am shocked that I need to write this letter to object to a crematorium being possibly allowed in our neighborhood. Given the proximity to all the residential homes and apartments, Gaithersburg HighSchool ,the new Wawa just approved which will be serving food, I can't conceive how this could be under consideration. The proposed parcel is NOT zoned for industrial use I don't want the quality of life changed by the traffic, pollution and smoke such a facility would bring.

Dear Planning Board of Gaithersburg,

As home owner very near the Deer Park area, I'm writing to voice my opposition to Devol Funeral Home's Application to become. Crematorium. I fear the smoke from the crematorium will have a negative effect on the surrounding neighborhoods.

Thank you,
