Please do not approve the construction of a crematorium at 14 E. Deer Park. Crematoria have the potential to release vaporized mercury and other dangerous chemicals into the air. This facility should be located away from residential areas.

Thank you for your consideration.

To the Mayor, City Council and Planning Board of Gaithersburg, Maryland

We the family at 105 E. Deer Park Drive would like to voice our opposition to the construction of a crematorium by DeVol Funeral Home. Our neighborhood is residential and we have concerns about adding this type of commercial enterprise.

We oppose a zoning change for the residential property 14 E. Deer Park Drive.

Regards

I am against the proposed crematorium. I live seven houses from the funeral home and neither my family nor I wish to inhale heavy metals. Please do not approve this application.

Hi Jud, it's Martha Toquinto w/the VFW that collects at Memorial Day & Veterans Day events for homeless Veterans at MCCH.

Dear Mayor and City Council Members,
I live in the Deer Park area which is a residential zone. I am concerned that the DeVol crematorium will bring an industrial like zone to my neighborhood. This plan will negatively affect the people I care about - we've been living here 25+ years, and my husband has lived here 60+ years. I don't want a tall chimney emitting smoke and

chemicals into the air where thousands of residents live, work, and go to school (when it opens again). This parcel is not zoned for industrial use.

I don't want our area changed by more traffic and smoke. I'm very proud to live in Gaithersburg. Please keep our quality of life in our beautiful neighborhood behind City Hall pristine. Say No, and reject this proposal.

Martha Toquinto
