To whom it may concern,

My name is Sarah Free and I have lived and worked in Gaithersburg since 2013. I am writing in to support the proposed Whip Clean Express Car Wash on the corner of S Frederick Ave and Central Ave. I think a state-of-the-art Express car wash would be a great addition to the corridor and the community. The existing corridor lacks prominent retail and could really use some improvement. We live in a major metropolitan city and could definitely use another carwash.

Sincerely,
Sarah Free

To Whom it May Concern:

I am writing in support of a new car wash establishment in our great city of Gaithersburg on the corner of S. Frederick Avenue and Central Avenue. I have lived in Gaithersburg for 20 years and adding a state of the art car wash, Whip Clean Express Car Wash would be an incredible addition to this community and corridor. Currently, this area lacks prominent retail and with an addition of this car wash, it would create jobs and improve the area. Gaithersburg is growing and having an additional car wash would be beneficial. Thank you for your time.

Dear Gaithersburg Planning

My name is Lisa Schrier and I have lived in Gaithersburg since 2002. I am writing in to support the proposed Whip Clean Express Car Wash on the corner of S Frederick Ave and Central Ave. I think a state-of-the-art Express car wash would be a great addition to the corridor and the community. The car wash is eco friendly and will bring jobs to the local community.

There is enough business in the area to support 3 car washes – hopefully with friendly competition it will drive the current prices down.

Stay well,

Lisa J Schrier
